Mrs L.C.West

Panama City,Florida

Dear Lillian:

I have your letter of July 6th with notation thereon; I have looked over all my papers and am unable to find the certificate.

When I closed my office I cleaned out the safe and buned an accumulation of olde obsolete papers and by mistake of course, this must have been in the lot.

In no other way can I explain my inability to find it.

Yours truly

W.F.Look
